

Native Seed Retailers

Listed below are seed companies that specialize in seeds suitable for restoration projects and native landscaping including native wildflower, grass, and wetland seeds. Retailers may sell seeds by species or as a part of mixes. There are not currently many sources of seeds with local genotypes, but these retailers carry seeds suitable for use in our climate.

Name: Ernst Seeds

Website: <https://www.ernstseed.com/>

Address: 8884 Mercer Pike, Meadville, PA 16335

Phone: 800-873-3321

Note from retailer's website: "At Ernst Conservation Seeds, we grow, process, and sell hundreds of species of native and naturalized seeds and live plant materials for ecological restoration, sustainable landscaping, reclamation, wetlands, and natural resources conservation. Native plants are vitally important to ecological restoration, and are increasingly seen as the best choice for use in almost every scenario."

Name: The Vermont Wildflower Farm

Website: <https://www.vermontwildflowerfarm.com/>

Address: PO Box 561, Hinesburg, VT 05461

Phone: 855-846-9453

Note from retailer's website: "We are one of the largest seed companies in the U.S offering our products both through our yearly catalog and website. We only offer exclusive hand packed proven mixtures and premium wildflower seed for over 250 individual wild perennial and annual flowers. We are actually the largest wildflower seed center in the Northeast. Whether you wish to plant a patch of Black-eyed Susans or a whole acre of a wildflower mixture, we are always available to help! Our wildflower mixtures have been designed and refined based on working with hundreds of thousands of customers for over 40 years, both expert and beginning gardeners. Our seed comes from within the United States with warehouses across the country."

Name: Prairie Moon Nursery

Website: <https://www.prairiemoon.com/>

Address: 32115 Prairie Lane, Winona, MN 55987

Phone: 866-417-8156

Note from retailer's website: "We now provide the largest native plant collection available for retail sales in the United States. With a network of growers across the Midwest, we supply over 700 North American species. Our seeds and plants have been used by national parks, local municipalities, corporate planners, teachers, farmers, and backyard gardeners. When you buy from Prairie Moon, you know you're getting authentic, wild-type native plants, not cultivated varieties bred by the horticultural industry."

Note: APIPP does not endorse any of these vendors; vendors do not exclusively sell native seeds so be sure to check the product you are ordering is labeled as native seed

Name: Prairie Nursery

Website: <https://www.prairienursery.com/>

Address: PO Box 306, Westfield, WI 53964

Phone: 800-476-9453

Note from retailer's website: "Delivering quality plant material and expert information - to gardeners, landowners, landscape designers and project managers - is our way of creating success for our customers, and success for a product that we feel passionately about. Whether gardening in a small space or restoring larger habitat, native plants are an empowering choice that supports life, biodiversity, sustainability, and soil and water conservation. Prairie Nursery is proud to be part of that choice."

Name: Roundstone Native Seed, LLC

Website: <https://roundstoneseed.com/>

Address: 9764 Raider Hollow Road, Upton, KY 42784

Phone: 888-531-2353

Note from retailer's website: "We produce, clean and condition our seed, controlling quality so the seed you receive is Guaranteed to be viable and free of noxious weed seeds and impurities. We collect and grow seed from the regions we serve to insure adapted seed for success. As seed producers we must know natives and how to successfully establish them. Contact us and our dedicated and knowledgeable customer service folks will be happy to share what we know with you."

Name: American Meadows

Website: <https://www.americanmeadows.com/>

Address: 2438 Shelburne Rd, Shelburne, VT 05482

Phone: 877-309-7333

Note from retailer's website: "American Meadows is one of the most respected online retailers of wildflower seeds, perennial plants, flower bulbs and vegetable seeds in all of North America. Our people have been helping supply gardeners since 1981. We seek to be a trusted gardening partner for creative gardeners —those who are willing to combine new ideas and products with classic favorites. Our customers range from some of the most experienced horticulturists in the country, to those who simply want to add a little color to their life, and everyone in between."

Name: Vermont Wetland Plant Supply, LLC

Website: <https://www.vermontwetlandplants.com/>

Address: 29 Old Foundry Rd, Orwell, VT 05760

Phone: 802-948-2553

Note from retailer's website: "Vermont Wetland Plant Supply, LLC is a wholesale nursery located in Orwell, Vermont and provides native Vermont-sourced wetland and upland plants to the stormwater and ecological restoration industries in Vermont and elsewhere throughout the northeastern United States."

Name: New England Wetland Plants, Inc

Website: <https://newp.com/>

Address: 14 Pearl Lane, South Hadley, MA 01075

Phone: 413-548-8000

Note from retailer's website: "Our products are used in Conservation, Wetland Restoration, Water Quality Basins, and Natural Landscaping. For landscape contractors, designers, and municipalities looking for New England native plants, seed mixes, and soil erosion control products, New England Wetland Plants provides an assortment of quality products at competitive prices."

Note: APIPP does not endorse any of these vendors; vendors do not exclusively sell native seeds so be sure to check the product you are ordering is labeled as native seed
